

## **RICK KROPSKI JOINS WIT POSTAL LOGISTICS AS PRESIDENT**

New Lenox, IL (June 16, 2009) WIT Postal Logistics, LLC, (“WIT”) is pleased to announce the hiring of Richard L. Kropski as President. Rick joins WIT with a broad range of experience in the print and mail logistics business.

The WIT Board conducted an extensive search for this opportunity and as Matt Danis of the search committee explains, “Rick brings all the right-stuff; valuable experience, knowledge and relationships to WIT as it embarks on a significant investment in doubling the size of its facilities, implementing state-of-the-art systems, completing its DSMS certification and expanding its portfolio of services to support its growing customer base. We are thrilled to add someone of Rick’s caliber to our WIT family.”

Prior to joining WIT, Rick was VP of Logistics for Arandell Corp. where he was instrumental in developing their logistics program and strategic relationships with other printers. He also held key executive positions at former World Color and Perry Judd’s as Vice President of Logistics and Distribution, and as a Director for R.R.Donnelley Logistics Service. In each position, Rick has been responsible for the start-up or turn-around and management of these logistics business units.

Rick is active in the postal, print and supply chain industries and has provided leadership for numerous industry initiatives throughout his career. Currently, he serves as Treasurer on the Board of The Logistics Council a Delta-nu-Alpha Chapter, and has been an active member of the U.S. Postmaster General’s Technical Advisory Committee and previously served on the Postal Commerce Association Board of Director for 12 years. Rick holds a degree in business supply chain management.

WIT Postal Logistics, LLC is a leading third party logistics [3PL] and distribution firm based in Chicago. We provide turnkey solutions that efficiently streamline the post finishing process by consolidating the outbound flow and volume. WIT works with manufacturers, assemblers and owners in the graphic communications industries to reduce postage, handling and transportation costs while increasing their program performance.
